Judge's Panel & Score Sheets

All of our Virtual events are held to the same standard as all LIVE Star Spirit events and will include a **full judge's panel**. All of our judge's go through an extensive application process at the beginning of each season and have been properly trained on all score sheets and will provide accurate scoring and dependable feedback on routines.

Star Spirit utilizes the United Scoring System for all our events.

Rubrics and score sheets can be found at <https://www.unitedscoringpartners.com/>

Videos from **past performances** are accepted as long as they were taken during the 2022-2023 season and have a full front view of all athletes on the floor! Uniforms are not required, so practice videos are accepted.
